

Tribe Property Technologies (Tribe) is a leading provider of technology-enabled property management solutions. Offering both a property management platform as well as services for building and managing residential communities, Tribe aims to offer the most comprehensive and innovative solutions to drive transformative advancements in the property management industry.

## Why Invest?

### Disrupting An Industry

People-focused model enables the provision of additional value-added products and services that improve the experience of residential community living from smart building technology and building automation to in-home services.

### Leading Digital Platform

Fully integrated digital platform that services a wide variety of stakeholders which lowers customer acquisition costs and increases stickiness leading to a low churn rate.

### Proven Acquisition Track Record

Purchased 12 companies to date, in a fragmented market that can be acquired at service multiples.

### Strong Financial Performance

Strong growth profile with revenue growth from less than \$3 million in 2018 to \$17.81 million as of December 2022, with monthly recurring revenue comprising the majority.

### Rapid Market Growth

Community living accounts for over 95 million people as of 2021. Payments of over \$100 billion were collected from owners in communities in 2021\*.

### Experienced Management Team

Large insider ownership that aligns shareholders and management, led by an executive team with hyper-growth, tech, product, capital markets and property management expertise and supported by an experienced and influential Board of industry leaders.
